

UNITED WAY OF ACADIANA

A QUICK LOOK

Do you know that United Way of Acadiana has been investing in St. Martin, Acadia, Vermilion and Lafayette parishes for more than 60 years? Here are just a few ways that United Way of Acadiana is using your donation to improve the lives of those living in our footprint:

20,700 children ages 0-5 received **FREE BOOKS** through Dolly Parton Imagination Library since 2009!

In Vermilion and Lafayette parishes, **\$1,773,260** was invested into UWA's Early Head Start Program through a federal grant.

22,158 students are experiencing the **Leader In Me** at **40 schools!**

1,714 FREE TAX RETURNS were prepared, resulting in more than **\$2,178,476** in Earned Income Tax Credits back into taxpayers pockets!

The four parishes in our footprint contributed to more than **\$173,000** worth of donated food, water, hygiene items, buckets, cleaning supplies, and more for Hurricane Harvey victims.

232-HELP/211 answered nearly **20,699** calls for help from area residents.

203 homes with 2016 flood damage were repaired, totaling **\$551,771.**

HOW IS ALL OF THIS BEING DONE?

For every \$1 donated during the UWA Fundraising Campaign, \$5 gets invested back into the community! That's a 5:1 return on investment!
